## **GALATIANS 4: GOD'S Providence or Man's Efforts?**

**Introductory Statement:** As in other locations where the Gospel of Jesus Christ had been preached and received by non-Jewish individuals, Galatia would not be spared. Certain groups of Jews (Judaizers) arrived to persuade these converts to believe that more than a simple Faith in Jesus Christ was required from them, in order to obtain salvation. In this instance circumcision was emphasized, along with adherence to Judaism's laws and rituals. Some of these Gentile believers were being deceived and wandering from the simplicity of the Gospel, and the Apostle Paul intervenes to remind them of the Truth of the Good News of Jesus Christ.

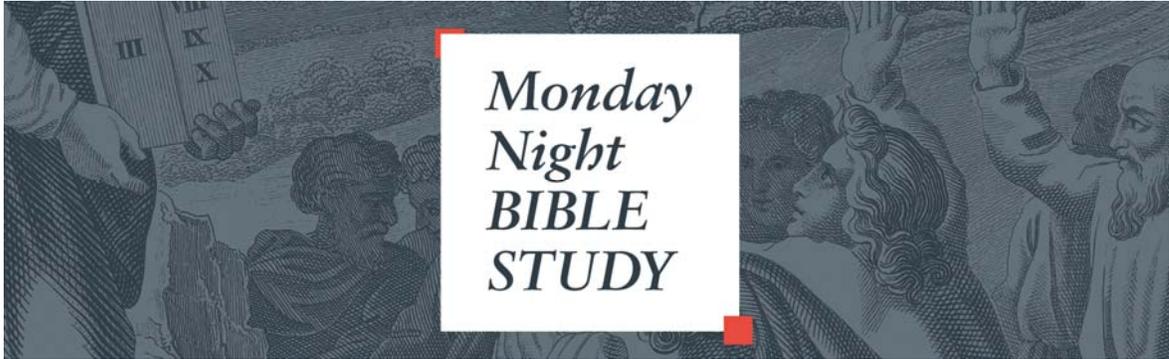

### Summary Points:

- In Jesus Christ, you were once slaves, but now you're Sons/Daughters
- What comes with the inheritance for Believers?
- Can I earn salvation (by being or doing good)?
