Our brave men and women serving in the military are starting to come home! Our heroes are struggling with deep hurts, habits, and hang-ups. Celebrate Recovery is here to help. We are starting a new Open Share Support Group for Veterans beginning on September 16th, 2016 that is facilitated by Veterans to serve our Veterans. If you are a Veteran and would like to be a part of this new initiative, then please come out and join us. We meet every Friday at 7 o'clock on the 3rd floor.
